Packaging & Distribution

Whatever your product handling, packaging or distribution needs, we have the depth, experience, resources, centralized locations and practical solutions to meet those needs today and tomorrow.

Warehousing

Over 3 million square feet of secure, modern storage is available in six states.

Packaging Polymers/ Solids

We have several packaging facilities in Ohio, West Virginia, and North Carolina. These locations can transload products from rail or bulk truck to various size package configurations to meet your customers needs, as well as, package from one type to another.

Transloading

Moving from rail to truck or rail to package is handled around the clock.

Bulk Packaging-Drumming Hazmat

We offer several different drum lines that can handle a variety of hazardous/non hazardous materials. Whatever your need – Totes, Drums, or Pails – we offer several different drumming facilities in West Virginia and Ohio.
