

# Over 100 Years of Transportation and Warehousing Services!

Total Distribution, Inc.

A Peoples Services, Inc. Company

Peoples Services, Inc. is committed to go beyond logistics to provide a better solution with customized services to meet our client's evolving logistic needs. With over 100 years of warehouse experience and business excellence, we provide supply chain management to work with our clients to help solve distribution challenges, and increase supply chain value.

We strive to provide a safe, comfortable working environment for our employees. We are a member of the American Chemistry Council (ACC) Responsible Care Program, and are committed to helping improve environment, health, safety and security for all of our facilities, processes and products throughout their life cycles. Our food distribution centers have received superior ratings under AIB standards.

Going beyond logistics for a better solution.

## Expertise in Warehousing and Logistics

Peoples Services, Inc. is the parent to a network of company owned 3PL companies that provide quality supply chain logistics, freight brokerage and asset based transportation services. With over 8 million square feet of warehouse space across seven states, we have the scope and experience to handle all of your distribution needs. Our warehouses specialize in food grade storage, polymers, auto and chemicals, along with customized packaging and fulfillment services. Our transportation capabilities compliment the warehouse services and our experienced team maximizes our advantage to supply efficient and reliable supply chain services.
